About Us

Ohonos Snack S.A is a 100 % Greek company with Greek funds and Greek shareholders.

Since 1994 our main goal is to provide high quality snack products to the consumers which are made by natural ingredients and undergo strict quality controls.

Today our company has an excellent distribution network all over Greece with privately owned trucks that serves our customers quickly and reliably according to their requirements.

Ohonos Snack S.A. exports 30% of its annual production in several European countries. Our sales network is well organized and covers all Greece (retail, wholesale sectors and super market).
